SAFE EDUCATION CLASSROOMS

In the Eshkol region, frequent rocket attacks disrupt life, closing schools and isolating families. JNF Canada is fundraising to provide a safe education shelter for children during school shutdowns. This allows children to continue learning in the shelter, so their parents can continue working. A stable routine lessens the psychological impact of the attacks on both parents and children. "JNF Canada has been with us right from the beginning, after the evacuation. It started with playgrounds, the big synagogue, the youth club and during Tzuk Eitan [a period of conflict] with the security tree planting." - Yedidya Hochman, Community Leader

FENWICK SEFER TORAH FOR KIBBUTZ KISSUFIM

Following the tragic events of October 7, 2023, JNF Canada funded a Torah as a symbol of healing and hope. We visited the Sofer as he started the meticulous and meaningful work of hand-writing each of the 304,805 letters, reflecting the community's resilience. We invite your support to turn this tragedy into a legacy of hope and recovery.

REBUILDING KIBBUTZ KISSUFIM

JNF has adopted Kibbutz Kissufim, a community near the Gaza border devastated by Hamas attacks. Sixteen members were murdered, three kidnapped, and dozens injured. To support their recovery, we are rebuilding playgrounds, daycare centers, and a youth club, providing children safe spaces to gather and heal from their trauma.

ANIMAL ASSISTED THERAPY - HEALING THE LONG-TERM EFFECTS OF PTSD

Children in Sderot suffer PTSD rates three to four times higher than the rest of Israel due to constant Red Alerts and war threats. JNF supported building an Animal-Assisted Therapy Centre in Sderot, reducing anxiety and stress, benefiting over 1,500 children and young adults with PTSD in the region.

NO2VIOLENCE AGAINST WOMEN IN RISHON LE'ZION

JNF Canada, in partnership with No2Violence Against Women, renovated and updated a shelter, improving accommodations and creating a home-like atmosphere. The shelter now houses 10-12 families, providing a critical social service to those in need. This project helped families heal physically, emotionally, and financially from traumatic situations.

SDEROT RESILIENCE CENTRE

Over 700 rocket attacks hit Sderot annually, causing 80% of its children to suffer from PTSD. Established in 2008, the Resilience Centre provides therapy, a 24/7 hotline, parental courses, and emergency services. JNF Canada is expanding it with a new Trauma Resilience Centre, increasing capacity and offering 50,000 treatment hours annually.

NES HARIM FIELD AND FOREST EDUCATION CENTRE

During Purim two years ago, JNF Canada helped over 100 Ukrainian orphans who arrived in Israel. At the Nes Harim Field and Forest Education Centre, they found a haven for acculturation, learning, and healing. Thanks to donations, they received toys, bicycles, field trips, and entertainment, regaining security and joy.
