THE 2024 JNF GOLF CLASSIC IS PROUD TO SUPPORT **Kibbutz Kissufim**

A community's first steps after Oct 7th

JNFs around the world have agreed to “adopt” a community in Israel and JNF Canada has decided to wrap our arms around Kibbutz Kissufim, a community of 260 residents next to the Gaza border, where 16 residents were murdered by Hamas, three kidnapped, and dozens injured. Residents of Kissufim are experiencing loss, grief, and social isolation. Determined to recover their community, we are rebuilding a playground and a daycare centre for their children, and a youth club for their teenagers. Once the residents return, the community's children will have places to gather, get support, and recover from the traumas they experienced.

WHAT IS THE JEWISH NATIONAL FUND?

For decades the Jewish National Fund of Canada has served as the caretaker of the land of Israel. This mission took the role of planting trees, building water reservoirs, preserving natural habitats, and building parks and bicycle trails.

More recently, JNF Canada has taken on projects to build the social infrastructure of the land of Israel for the benefit of the people of Israel. We collaborate with a variety of important institutions and organizations in Israel to build social service infrastructure to benefit vulnerable populations such as youth-at-risk, victims of domestic abuse, special needs children, veterans and the poor.

**JNF Canada is Building the
Foundations of Israel's Future.**
