About JNF Future

The Jewish National Fund of Canada (JNF) is Toronto's premier fundraising organization for Israel, whose supporters include the philanthropic elite of the Toronto Jewish community. For decades JNF Canada has been known to support Israel by planting trees, building water reservoirs, preserving natural habitats, building parks and bicycle trails. Recently, the organization has evolved to take on more progressive projects that develop social infrastructure. We now serve vulnerable sectors such as youth-at-risk, victims of domestic abuse, special needs children, the disadvantaged and far more. JNF identifies critical needs and directs donor funds to the most impactful areas.

JNF Future is the gateway for the next generation to the Jewish National Fund. JNF Future aims to engage individuals between the ages of 22 to 40 through programming and events, missions to Israel and forums with young Jewish leaders. JNF Future's goal is to increase support and awareness, enhance the lives for JNF initiatives, and ultimately to raise funds for these projects in order to enhance the lives of the citizens of Israel.

Did you know?

For the past 6 years of hosting our Future Golf Tournament, we have raised over \$250,000 towards Future projects!

Rebuilding Kibbutz Kissufim

In 2024 JNF Future's fundraising efforts will support the rebuilding of Israel. JNF Future is currently supporting JNF Canada's efforts of Rebuilding Kibbutz Kissufim, home to a community of 260 people next to the Gaza border, where 16 members were murdered by Hamas, three kidnapped and dozens were injured.

Residents in Kissufim are experiencing loss, grief, and isolation. To support their recovery, we are rebuilding the playground and daycare centre for their children, and a youth club for their teenagers, so that once the residents return, the community's children will have places to gather, get support and recover from the traumas they experienced.

We hope you will join us in Rebuilding the Foundations for Israel's Future Together.
