**FUTURE**

A FUNDRAISING EVENT  
IN SUPPORT OF

**KIBBUTZ KISSUFIM**

The JNF Future Women's Committee presents an evening of Soma for the Soul! Since October 7th our communities, Israel, and Toronto have been trying to process the atrocities that took place on that day, and the aftermath that followed. Slowly going through the healing process each day that passes. This event is an evening of healing, together, through breath work led by transformational coach and advance SOMA Breath instructor, Esther Willinger.

Funds raised from this program will go towards JNF Canada's efforts to help rebuild Kibbutz Kissufim, one of the communities greatly impacted on October 7, 2023.

## ABOUT JNF FUTURE

The Jewish National Fund of Canada (JNF) is Toronto's premier fundraising organization for Israel, whose supporters include the philanthropic elite of the Toronto Jewish community.

For decades JNF Canada has been known to support Israel by planting trees, building water reservoirs, preserving natural habitats, building parks and bicycle trails. Recently, the organization has evolved to take on more progressive projects that develop social infrastructure. We now serve vulnerable sectors such as youth-at-risk, victims of domestic abuse, special needs children, the disadvantaged and far more. JNF identifies critical needs and directs donor funds to the most impactful areas.

JNF Future is the gateway for the next generation to the Jewish National Fund. JNF Future aims to engage individuals between the ages of 22 to 40 through programming and events, missions to Israel and forums with young Jewish leaders. JNF Future's goal is to increase support and awareness, enhance the lives for JNF initiatives, and ultimately to raise funds for these projects in order to enhance the lives of the citizens of Israel.

## **Kibbutz Kissufim**

**A community's first steps  
after October 7th**

Funds raised from this event will support building the Youth Centre at Kibbutz Kissufim. JNFs around the world have agreed to “adopt” a community in Israel and JNF Canada has decided to wrap our arms around Kibbutz Kissufim, a community of 260 residents next to the Gaza border, where 16 residents were murdered by Hamas, three kidnapped, and dozens injured. Residents of Kissufim are experiencing loss, grief, and social isolation. Determined to recover their community, JNF is rebuilding a playground and a daycare centre for their children, and a youth club for their teenagers. Once the residents return, the community's children will have places to gather, get support, and recover from the traumas they experienced.
