Shai Davidai

Jewish Civil Rights Leader,
Israeli American Professor

Shai Davidai is an Israeli-American Professor at Columbia University, a modern day warrior for Jewish civil rights, boldly confronting antisemitism on the front lines of academia. In an era when Zionism is under siege and Jewish students in the diaspora feel increasingly isolated, Shai's voice is a rallying cry for courage, truth, and unwavering Jewish pride.

Noa Argamani

Rescued Hostage

Noa Argamani was kidnapped with her partner, Avinatan, by Hamas on October 7, 2023, and held captive in Gaza for 245 days. Noa's story is one of unimaginable hardship, strength, and unyielding hope. Her daring rescue by Israeli forces in June 2024 was a moment of triumph, and her journey continues as an advocate for the hostages that remain in Gaza.
